Thank you for trying to work out your schedule to accommodate me. My case is scheduled to plead on Tuesday the 11th. I am not expecting a trial then, thus you don't need to come down.

Thanks again,

Aaron

Hi Matt and Aaron,

Let me know if this works for you guys.

Matt, I will testify for you on Monday August 10th at 2:00pm on Comm. v. ██████ in Brockton Sup. I will go over the notes with Daniela today. If you can get me on the stand by 3:00pm that would be great.

Aaron, if your case does not plead on Monday August 10th on Comm. v. ████████in New Bedford Sup, I know you will need me for Tuesday in morning. I can definitely make it down there for your case.

Unfortunately, on August 12th at 9:00am, I am scheduled to testify for Middlesex Sup.

Sorry for the inconvenience. I appreciate your assistance.

Thanks,
        Annie

Subject: Commonwealth v.██████

This is on for trial on August 10, 2009 in Plymouth Superior Court - 2nd session. I filed a motion to continue due to a number of witness being unavailable including yourselves. Unfortunately the judge denied my request (she is not the most reasonable judge). That said, I believe this judge will allow one of you to testify as to what the other did so I only need one of you. I know you both have some conflicts but if one of you can squeeze this in that would be great. I would only need someone for either Monday afternoon after 2PM or 9AM on Tuesday. Let me know which time works better and for whom and I will work around it.

Thanks,

Matt
